TO WHOME SO EVER IT MAY CONCERN

We have pleasure to share that using the services for hot water for hotel purpose by SKYMECH ENGINEERS PVT. LTD. JAIPUR – RAJASTHAN, we have installed Stafor ion boiler of Stafor Ltd., Riga, Latvia, Europe, at our Hotel Kapish Smart – Banipark – Jaipur for hot water application through SKYMECH ENGINEERS PVT. LTD. Jaipur.

System is running well and we are getting the desired results from last two years.

Electricity consumption is very less as compared to the previous traditional system and getting satisfactory services on time.

We recommend this product for space heating as well as water heating.

For – Hotel Kapish Smart.
